PETITIONING AND URGING THE BOARD OF EDUCATION TO REJECT THE SUPERINTENDENT OF SCHOOLS' PRELIMINARY BUDGET RECOMMENDATIONS TO ELIMINATE THE SAN FRANCISCO JUNIOR HIGH SCHOOL INTERSCHOOL AND SENIOR HIGH SCHOOL INTRAMURAL ATHLETIC PROGRAMS FOR YOUNG MEN AND WOMEN FOR THE FISCAL YEAR 1974-75.

WHEREAS, The Superintendent of Schools has recommended to the Board of Education the elimination of the San Francisco Junior High School Interschool and Senior High School Intramural Athletic Programs for both young men and women, despite the fact that several thousand youth participants are involved and curtailment of the program will leave them with relatively minimal organized sports activities to engage their after-school leisure hours; and

WHEREAS, Athletic programs afford a wholesome and constructive outlet for youthful energies, encourage friendly contests of skill and foster mutual respect and understanding, while conversely, the elimination of athletic programs for all youth is inconsistent with the mandate for, and emphasis on, school integration; and

WHEREAS, It would appear incumbent for protection of the best interests of the children, the school system and the entire community for the Superintendent to support and expand said athletic programs; and

WHEREAS, There are approximately 2,623 young men in junior high school involved in interschool sports, 4,400 young men in senior high school involved in intramural sports and over 7,000 young women of both junior and senior high school level actively participating in the Girls Athletic Association and interschool sports; and

BOARD OF SUPERVISORS Gonzales Kopp, Molinari, Molder, Newsom, Ohlson

WHEREAS, The Superintendent's General Fund Tentative Budget for the fiscal year 1974-75 is $128,203,041; the total amount necessary to fund the athletic programs in question is $196,00., which amounts to only 0.153% of the budget; and

WHEREAS, There is in existence in the City of San Francisco a Mayor's Youth Fund which receives money from various sources, such as the $100,000 from the San Francisco 49'ers annual "Youth Bowl"; and

WHEREAS, in 1971 this Board of Supervisors unanimously adopted Resolution No. 579-71 pertaining to this same subject matter; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby vigorously urge upon the San Francisco Board of Education the importance of the Junior High School Interschool and High School Intramural Athletic Programs for young men and women, and does hereby petition the Board of Education to reject the Superintendent's recommendations to eliminate same and appropriate the necessary funds for continuation of said athletic programs;and be it

FURTHER RESOLVED, That this Board urges the Board of Education and His Honor the Mayor to meet and confer regarding the transfer of such funds as the Mayor's Youth Fund to said athletic programs; to consider approaching private athletic organizations, such as baseball's San Francisco Giants, to assist in furnishing supplementary funding; as well as to seek possible governmental assistance; and also to investigate other available sources of funding, including but not limited to the sale of excess real estate presently owned by the San Francisco Unified School District.

1. The Mayor should issue annual reports that provide guidelines for the allocation of funds for major annual improvement programs.
2. A central clearinghouse for State and Federal funds should be established in the Mayor's Office, working in conjunction with the Fiscal Policy Committee and the Budget and Governmental Efficiency Committee of the Board of Supervisors to coordinate efforts to seek, administer and account for Federal or State funds for local programs.
3. Budgeting procedures should be initiated and enforced which would provide better budget information through reports, analysis, and program budgeting by permitting greater administrative flexibility in budgeting but greater restriction on the use of supplemental appropriation requests.
4. The Mayor should seek agreements from State and Federal agencies to recognize local program planning and coordination efforts, to assist and cooperate with these efforts and to work for reforms in State and Federal procedures that affect local governments.

now, therefore, be it

RESOLVED, That the Board of Supervisors does hereby endorse the concept of a joint clearinghouse through which staff services can be obtained to prepare priorities for approval by the Mayor and the Board of Supervisors, and after such approval insure the proper processing of necessary applications and oversee the utilization of funds as well as the necessary evaluation and auditing of appropriate programs; and, be it

FURTHER RESOLVED, That His honor, the Mayor, is hereby authorized to submit to the Federal Regional Council an application for funds and to accept same pursuant to the Council's invitation for funding, not to exceed the sum of $170,000; and, be it

FURTHER RESOLVED, That said authorization contemplates the submission of an appropriation request for matching funds not to exceed the sum of $40,000 and $4,000 in in-kind services by the City and County of San Francisco; and, be it

6/11/74

FURTHER RESOLVED, That the Board of Supervisors does hereby endorse the concept of seeking the highest grade professional staff with expertise in the field of obtaining and collating information for the clearinghouse and urges the Mayor to take necessary steps to assure that such staff is hired.

REQUESTING THE STATE COMMISSION OF HOUSING AND COMMUNITY DEVELOPMENT TO RECONSIDER THE AMENDMENTS TO THE CALIFORNIA ADMINISTRATIVE CODE, TITLE 25, CHAPTER 1, SUB-CHAPTER 1, ARTICLE 4 WHICH ADDED NOISE INSULATION STANDARDS TO THAT CODE.

WHEREAS, The Board of Supervisors of the City and County of San Francisco recognizes the requirement placed upon the local legislative body to adopt a noise element to their Master Plan under the State law which sets the date of September 1974 for adoption of such element; and

WHEREAS, The Board of Supervisors has found that as part of that noise element it will require considerably more time to develop the noise contour maps, which maps are necessary for implementation of the Noise Insulation Standards recently adopted by the Commission of Housing and Community Development of the State of California under Sub-section 1092(e) of Article 4 of Title 25 of the Administrative Code; and

WHEREAS, Under the provisions of Sub-section 1092(b) of said Administrative Code, it is the requirement that the noise insulation regulations become effective six months after adoption by the Commission which occurred on February 22, 1974, thereby setting the effective date of the regulations as August 22, 1974; and

WHEREAS, The City and County of San Francisco for one, and doubtlessly many other jurisdictions, cannot meet that August 1974 deadline as well as the September 1974 noise element deadline; and

WHEREAS, The Board of Supervisors has also been advised that in prior drafts of the regulations for noise insulation, there was a provision that would have related the effective date of the noise regulations to the adoption of the noise element of the Master Plan by the local jurisdiction which provision apparently was deleted in the final draft of the regulations adopted February 22, 1974; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby requests that the State Commission of Housing and Community Development reconsider at the earliest possible date the regulations added to Article 4 of Title 25 of the California Administrative Code particularly Sub-section 1092(b) with the purpose that this sub-section be amended to read, "The regulations become effective six months after adoption by the Commission or after adoption of the noise element of the Master Plan by the local governing body whichever is the later time"; and, be it

URGING WAIVER OF LICENSE FEES FOR FOSTER HOMES PROVIDING CARE FOR SIX OR FEWER PERSONS; AND ENDORSING SB 457 EXEMPTING FROM LICENSE FEES SUCH FACILITIES.

WHEREAS, State law authorizes the charging of license fees for foster family homes and other community care facilities with the provision that the Director of the State Department of Health may by regulation reduce or waive the payment of such license fees if these would cause undue financial hardship or reduce the availability of sufficient facilities for placement of the persons involved; and

WHEREAS, Foster parents render a valuable and needed service in caring for children who currently have no home of their own in which they can receive care and, therefore, should not be discouraged from providing such care by the charging of fees; and

WHEREAS, Foster parents are not running a business, provide much less expensive care than child care institutions and, since the payments they receive for the care they provide are low and not intended to provide a profit, any fees levied against them would cause a financial hardship; and

WHEREAS, In a survey conducted of licensed foster homes for children in San Francisco, 64 per cent of full time foster family homes and 56 per cent of family day care homes stated that they would not seek renewals of their licenses if license fees are imposed upon them; and

WHEREAS, State legislation has been introduced and passed by the State Senate and State Assembly (SB 457, Alquist) which would provide that residential facilities which are family homes providing care for six or fewer persons shall not be required to pay any fee for the issuance of a license; now, therefore, be it

URGING THE CALIFORNIA STATE LEGISLATURE TO PASS AB 4489 AND AB 4490, POLITICAL REFORM LAWS

WHEREAS, The voters of California overwhelmingly passed the political reform measure, Proposition 9, in the June 4, 1974 Election; and

WHEREAS, The effective date for implementation of Proposition 9 would be January 5, 1975; and

WHEREAS, Due to a drafting error in Proposition 9, present regulations controlling lobbyists and other campaign reporting legislation were immediately repealed but not replaced by Proposition 9's regulations until January, 1975; and

WHEREAS, The statewide elections in November, 1974, will have long-range ramifications on the political system particularly over the next four years; and

WHEREAS, The public would not be protected by the benefit of any laws controlling the political process in this November, 1974 Election; and

WHEREAS, AB 4489 and AB 4490 have been introduced by Assemblyman William T. Bagley which would implement Proposition 9 immediately and plug up the loophole caused by the inadvertent drafting error; and

WHEREAS, Since AB 4489 and AB 4490 are emergency measures they can be passed in time to regulate the November, 1974 Election in accordance with the will of a majority of Californians; and

WHEREAS, It would be a frustration of the election process to allow the November, 1974 Election to be conducted in the absence of meaningful laws controlling the use of funds in political campaigns; now, therefore, be it

URGING THE CALIFORNIA STATE LEGISLATURE TO CONSIDER THE ENACTMENT OF A LAW PROHIBITING THE PUBLICATION OR BROADCASTING OF RAPE VICTIMS' NAMES OR IDENTITIES.

WHEREAS, The justifiable fear of publicity surrounding rape cases with its accompanying humiliation and degradation causes numerous victims to refrain from either reporting the rape or from pressing charges and testifying at a public trial; and

WHEREAS, This Board of Supervisors does believe it to be in the best interests of justice and decency to protect victims of rape from publicity and its severe humiliation before their relatives, friends, neighbors and the entire community; and
